

Boyd B. Baker Memorial Scholarship

Dr. Boyd B. Baker served as a Governing Board member of the Vail School District. HE was instrumental in planning Cienega High School as Vail's first comprehensive high school in the District. Dr. Baker was a professor at the University of Arizona teaching future teachers. He was an AIA coach with his area of expertise in basketball. Dr. Baker gave unselfishly of himself in his service to his community. His dream was to see Cienega open and the high school to see students receiving the academic and athletic programs here, in their community. Upon his untimely passing, the planning committee chose to honor Dr. Baker by naming our gymnasium complex after him. His wife, a long time teacher, coach, and athletic director, along with his close friends at the University of Arizona created a scholarship fund to recognize the efforts of a student athlete who exemplified what Dr. Baker did in his life as an educator.
